ELLE WYANT
ILLUSTRATION / DESIGN / ANIMATION

SKILLS

2D Animation
CG Animation
Storyboarding
Figure Drawing
Illustration
Painting

OBJECTIVE

To work with passionate and talented artists to bring stories and characters to life through visual media.

EXPERIENCE

Artist and Animator | 77Sparx Studio, Inc. | 2014-2018
Developed storyboards, layouts, assets, and animations for children's educational app Wonster Words. Created character designs, cards, and promotional material for mobile game CLAW: Clash of Animal Warriors.

Character Artist and Animator | Tanuki Entertainment | 2013
Designed characters and accompanying assets for mobile game. Developed animations and simple effects to illustrate characters' action states.

Character Artist and Animator | Monster Costume | 2012-13
Created character art and scene assets for mobile game. Coordinated with developers to create animations and effects for game play.

Story and Concept Artist | Nation9 | 2012
Worked with a team to adapt children's stories for mobile reader games. Established concept art, storyboards, and final art for various projects.

Illustrator | Wacom | 2012
Collaborated with designers at Wacom to create illustrations for product advertisement and packaging.

Curriculum Development | DigiPen Institute of Technology | 2011-12
Helped structure a new curriculum, organize lesson plans, and design projects for the ProjectFUN summer workshops.

ProjectFUN Instructor | DigiPen Institute of Technology | 2009-12
Introduced students of all ages to the 3D animation production pipeline including story, design, modeling, rigging, animation, and basic cinematography.
