2004-2008

## OBJECTIVE

To work with passionate and talented artists to bring stories and characters to life through visual media.

## EXPERIENCE

### Character Artist and Animator | *Tanuki Entertainment* | 2013

Designed characters and accompanying assets for mobile game. Developed animations and simple effects to illustrate characters' actions and states.

### Contract Character Artist and Animator | *Monster Costume* | 2012-13

Created character art and scene assets for iPad game. Coordinated with developers to create animations and effects for game play.

### Story and Concept Artist | *Nation9* | 2012

Worked with a team to adapt children's stories for iPad reader games. Established concept art and storyboards for various projects.

### Illustrator | *Wacom* | 2012

Collaborated with designers at Wacom to create illustrations for product advertisement and packaging.

### Storyboard TA | *DigiPen Institute of Technology* | 2011

Worked with instructor to present lesson plans to students and manage course web page. Supported students outside of class with critique and instruction.

### Curriculum Development | *DigiPen Institute of Technology* | 2011-12

Helped structure a new curriculum, organize lesson plans, and design projects for the ProjectFUN summer workshops.

### ProjectFUN Instructor | *DigiPen Institute of Technology* | 2009-12

Introduced students of all ages to the 3D animation production pipeline including story, design, modeling, rigging, animation, and basic cinematography.
